IDEAL FOR OIL & GAS CLEANING

1. PRESSURE WASHERS & TRAILERS

- **HOT AND COLD WATER**
gas, diesel and electric-powered, compact, portable, stationary and trailer mounted skids. Units remove everything from grease and grime to stubborn dirt and debris
- **CUSTOM TRAILERS**
single or dual-axle, water tanks, tool boxes, soap systems, hose reels and more...

2. PARTS WASHERS

- **TOP & FRONT LOAD**
Cuda and Alkota aqueous parts washers remove grease, oil, and other grime from machinery parts and components

3. WASH WATER TREATMENT SYSTEMS

- **CUSTOMIZE SYSTEMS**
Water Maze technologies that include: coagulation / flocculation, mechanical filtration, oil-water separation, evaporation, pre-treatment, modular bioremediation designed for wash water that's treated and discharge, recycle and reused or reduced and evaporation

4. SWEEPERS & SHOP VACS

- **MANUAL, BATTERY & ELECTRIC-POWERED**
Karcher sweepers and vacs provide more efficient and effective pick up of dust and debris than a broom

5. ACCESSORIES

- **PRESSURE WASHERS & PARTS WASHERS**
Turbo nozzles, flat surface cleaners, hose reels, extra-length high pressure hose, wired and wireless remotes and more...

6. SOAPS

- **FOR USE WITH PRESSURE WASHERS**
Degreasers, Heavy Equipment, Industrial Grease and Carbon Remover, Industrial Oil and Grease Remover and more...
