Alkota Model 8308

## GET ROLLING TODAY.

When you need maximum cleaning power where space is tight and open flames are out of the question; turn to Alkota's all electric models. Whether the job site is a manufacturing firm, food processing facility, chemical plant or mining operation, our All electric units will give you the cleaning power you need in a safe flameless package. With a small footprint, rugged construction and none of the smoke or hazard emissions you obtain in gas or oil fired units, these washers keep your operations running clean and safe. They give you the durability and ease of the use only Alkota can deliver.

English to Metric Conversion
1 gallon/minute = 3.78 liters/minute
1 horsepower = .746 watts
100 PSI = 7.03 Kg/cm <sup>2</sup>
1 foot = .3048 meters
1 inch = 2.54 centimeters
1 pound = .45359 kilograms

## FEATURES

- Belt drive, oil bath pumps, ceramic plungers
- Easy access controls
- Precise chemical metering
- Stainless steel immersion heaters
- Stainless steel float tanks
- Standard temperature control
- Easy grip trigger gun
- All models except 108 available UL approved
- 4308XP - Explosion proof is available

## ADVANTAGES

- Completely powered by electricity
- No open flames
- Minimal noise
- No smoke or fumes
- Small space requirements
- Wheel kits available
